Subject: Welcome to the MASPOT_members group

Hello, we've added you to the MASPOT_members group at Yahoo! Groups, a free, easy-to-use service. Yahoo! Groups makes it easy to send and receive group messages, coordinate events, share photos and files, and more.

Description of the group: The Michigan Alliance of School Physical and Occupational Therapists is an organization of OTs and PTs who work within the Michigan School system.

Organized in 1976, it is designed to meet the unique needs of school therapists, and provide a vital link between the medical and educational communities.

OTs and PTs have served the educational system in Michigan for many years. The passage of the Special Education state and federal laws defined OT and PT as related services available to students with disabilities.

MASPOT Mission Statement: We are committed to providing educational opportunities and resources to members, to providing input to the state legislature regarding educational and therapy issues, to disseminating information from the state level to members, and to improving the delivery of therapy services to students in the state of Michigan.
